

# IQAC

## Jhargram Raj College

### Academic Session 2021-22

#### Action taken report of IQAC

Based on the feedback and its consequent analysis, IQAC suggested to make the college functional in a mixed mode, at least for first several months. The IQAC ensured the need for continuous effort to carry forward the teaching-learning process. The IQAC promoted a one-to-one correspondence between the teachers and the students keeping in view the mental health of the students during the ongoing pandemic or even after opening of the college. As a part of this, a sensitization programme was organised for the students and teachers and non-teaching staffs to follow the covid protocol, social distance, use of sanitizers and masks etc.

Examinations were taken, followed by evaluation through online and offline following the directives of University and the departments were requested to keep records of online classes and examination.

Two summer school programmes were organized via online mode.

The PWD was asked to take necessary civil and electrical works to maintain the extant facilities and make them operational.

The IQAC took initiatives for pending Arrear and CAS for the teachers.

Principal, Jhargram Raj College

IQAC Coordinator, Jhargram Raj College
