

## **Jhargram Raj College**

**Academic Year 2020-2021**

### **Result of University Examination**

Due to the pandemic situation, and a continuous lockdown throughout the country, the University Examinations were held in the online mode. The college conducted the examinations in adherence to the examination guidelines laid down by Vidyasagar University. The examinations and the evaluations for Undergraduate and Postgraduate courses were held in the online mode. Both patterns of the curricula, namely, the CBCS system (for Honors students of Science Departments and all the Post Graduate Departments) as well as Annual system (for students pursuing Humanities and Commerce, and those students of science departments slated to clear their backlogs). This was the first batch for the CBCS system, as it was implemented since 2017-18 in the undergraduate level. The first final examination was held in October, 2020.

A total 606 students were appeared in the final Examination (533 UG students and 73 PG students) and the pass percentage was 100%.

The University examination for intermediate semester was held in April 2021 in the online mode. The final semester examination for 2021 is yet to be held.
