

## **Seminar Report (Session 2022-23)**

**Title: Exploring Career Opportunities in the Education Sector & Strategies to Crack**

Organized by: JRCPAA

Date: 11.09.2022

Venue: Zoom & YouTube (Online)

Link: <https://www.youtube.com/live/bODgxJWiA3Y?si=5zZMmG5L2BCqDImV>

No. of participants: 158

Introduction: The seminar, attended by 158 participants, focused on elucidating career opportunities within the education sector and strategies for success.

Sessions:

1. Speaker I: Dr. Partha Karmakar, W.B.E.S Deputy Secretary WBBPE, provided insights into career avenues within the education sector, highlighting opportunities and pathways for aspiring individuals.
2. Speaker II: Mr. Siddhartha Mahata, Sub Inspector of Schools, Jhalda III, Purulia WBSOES, shared practical strategies and tips on cracking examinations and interviews within the education sector, drawing from his expertise and experience.
3. Speaker III: Mr. Alok Mandal, Assistant Accounts Officer, Defence Accounts Department, Government of India, discussed financial aspects and career growth opportunities within educational organizations, offering valuable insights into administrative roles and responsibilities.

Conclusion: The seminar concluded with a comprehensive understanding of the diverse career opportunities available in the education sector and effective strategies to navigate and succeed in this field.

**Title: Jangolmoholer Liksanskriti O Subarnoroikhik Sahityo Karmo**

Organized by: JRCPAA

Date: 15.10.2022

Venue: Zoom and YouTube (Online)

Link: [https://www.youtube.com/live/y3fH4-MYYe0?si=auG3\\_GldYOrUgE7t](https://www.youtube.com/live/y3fH4-MYYe0?si=auG3_GldYOrUgE7t)

No. of participants: 102

Introduction:

The seminar aimed to delve into the rich cultural heritage and biodiversity of Jangalmahal while shedding light on the literature of the region. With 102 participants joining via Zoom and YouTube, the seminar witnessed significant interest in the topics discussed.

Sessions:

1. Introductory Speech by Principal, JRC:

The seminar commenced with an introductory speech by the Principal, JRC, setting the tone for the discussions ahead. The Principal welcomed participants and underscored the importance of preserving and understanding the cultural and ecological significance of Jangalmahal and its traditional art forms.

## 2. Speech by H.O.D Physics Dept.:

The Head of the Physics Department delivered a speech providing scientific insights into the themes of biodiversity conservation and cultural heritage preservation. This session likely highlighted the scientific advancements and technological interventions relevant to the preservation efforts.

## 3. Performance of "Jhumur" Song:

A cultural performance of the traditional "Jhumur" song by Mr. Apurba Nayek & Chashu Man Sahu added vibrancy to the seminar. The soulful rendition showcased the cultural richness of Jangalmahal and its artistic traditions.

4. Speaker I: Presentation on "Jhumur Sanskriti O Aitihya" by Dr. Kshitish Mahato, Asst. Prof. Chakaud Mahavidyalaya: Dr. Kshitish Mahato presented scholarly insights into the "Jhumur" tradition, exploring its cultural significance, historical roots, and evolution over time. The presentation provided a comprehensive understanding of the cultural heritage embedded within Jangalmahal.

5. Speaker II: Presentation on "Subarnarekha Sabujshathi Sanskriti" by Dr. Fatik Chand Ghosh, Asst. Prof. Midnapur College: Dr. Fatik Chand Ghosh's presentation delved into the golden silk weaving tradition, shedding light on its cultural importance, techniques, and economic relevance. The session highlighted the intricate craftsmanship and artistic prowess associated with this traditional art form.

## Conclusion:

The seminar concluded on a note of appreciation for the diverse insights shared by the speakers and participants alike. The discussions underscored the need for concerted efforts in preserving and promoting the cultural heritage and biodiversity of Jangalmahal, while also fostering sustainable practices for the future. The seminar served as a platform for knowledge exchange and dialogue, contributing towards a deeper appreciation of the cultural legacy and environmental stewardship inherent to the region.

## **Title: One Day State Level Seminar on "An Introduction to the Vedas"**

Organized by: Department of Sanskrit, Jhargram Raj College

Date: 07.02.2023

Venue: P.K. Sen Seminar Hall, Jhargram Raj College

No. of participants: 45

Introduction: The Department of Sanskrit, in collaboration with the Internal Quality Assurance Cell, organized a one-day state-level seminar aimed at providing an introduction to the Vedas. With 45 participants in attendance, the seminar sought to offer insights into the ancient texts and their relevance in contemporary times.

## Sessions:

1. Keynote Address: Renowned scholar Prof. Mau Dasgupta served as the keynote speaker, delivering a comprehensive introduction to the Vedas. Prof. Dasgupta elucidated the significance, historical context, and fundamental teachings of the Vedas, offering participants a deeper understanding of these ancient scriptures.

Conclusion: The seminar proved to be an enlightening experience for participants, as they gained valuable insights into the Vedas, courtesy of Prof. Mau Dasgupta's expert guidance. The event underscored the importance of exploring ancient texts like the Vedas to appreciate the rich cultural and philosophical heritage of India.

### **Title: Future Prospects of Learning Mathematics at Undergraduate Level**

Organized by: Department of Mathematics, Jhargram Raj College

Date: 18.04.2023

Venue: PK Sen Seminar Hall, Jhargram Raj College

No. of participants: 94

Introduction: The seminar, attended by 94 participants, was dedicated to exploring the future prospects of learning mathematics at the undergraduate level, aiming to shed light on the evolving landscape of mathematical education.

Sessions:

1. Keynote Speaker: Padma Shri Professor Bimal Kumar Roy, Professor of Applied Statistics Unit, ISI Kolkata, delivered an insightful keynote address. Professor Roy shared valuable perspectives on the future direction of mathematical education at the undergraduate level, considering emerging trends, technological advancements, and interdisciplinary applications.

Conclusion: The seminar provided an enriching platform for participants to gain insights into the future trajectory of learning mathematics at the undergraduate level, as elucidated by Padma Shri Professor Bimal Kumar Roy. Attendees left with a deeper understanding of the evolving landscape of mathematical education and its implications for future academic and professional pursuits. The seminar was very successful. Out of 444 registered participants, 280 appeared in the meeting. Among 280, 175 submitted feedback, and certificates were dispatched to these 175 participants. Overall response was very satisfactory which is reflected in the feedback form and recording.

### **Title: Nari O Pritihir Rono Rokto o Sofolota**

Organized by: Gender Sensitization Cell, Jhargram Raj College

Date: 29.05.2023

Venue: P.K. Sen Seminar Hall, Jhargram Raj College

No. of participants: 51

Introduction: Smt. Oindrila Sen, Assistant Professor in the Department of History at Jhargram Raj College, delivered a talk titled "Nari O Pritihir Rono Rokto o Sofolota" (Women and the Battle for Success on Earth). The event was organized by the Gender Sensitisation Cell and the IQAC of JRC, with active participation from faculty members and students.

Program Schedule:

Inauguration and Welcome Address: The seminar commenced with an inaugural address by Dr. Debnarayan Roy, WBSES, Principal of JRC, welcoming participants and setting the tone for the discussion.

Keynote Address: Dr. Nivedita Bhattacharyya, Assistant Professor and Convener of the Gender Sensitisation Cell at JRC, delivered the keynote address, providing context and insights into the importance of the topic.

Talk by Smt. Oindrila Sen: Smt. Oindrila Sen delivered a thought-provoking talk on the theme "Nari O Pritihir Rono Rokto o Sofolota", delving into the struggles and successes of women in various spheres of life. Her presentation sparked lively discussions among attendees.

Movie Screening of "THAPPAD": Following the talk, a screening of the film "THAPPAD" was held, providing further insights into gender dynamics and societal expectations.

Vote of Thanks: The event concluded with a vote of thanks by Priyanka Mukhopadhyay Basu, Assistant Professor and Joint-Convener of the Gender Sensitisation Cell, as well as the Convener of the Cine Club at JRC, expressing gratitude to all participants and organizers for their contributions.

Conclusion: Smt. Oindrila Sen's talk provided a platform for meaningful discussions on the challenges and triumphs of women in society. The event underscored the importance of fostering gender sensitization and creating awareness about gender equality within academic settings.
