NAAC SSR CYCLE II
CRITERIA 2

Criteria 2- Teaching- Learning and Evaluation
2.6 Student Performance and Learning Outcome
2.6.2. Attainment of POs and COs are evaluated

Jhargram Raj College provides a wide range of arts, commerce, and science courses at the undergraduate and postgraduate levels. The college strictly abides by the rules and regulations of the UGC and the Vidyasagar University, to which it is affiliated. The departments at this college aim to uphold high educational standards tailored to the needs of each programme. Each department is responsible for defining the Programme Outcomes for the courses the college offers, which can be accessed from the link below.

Programme Outcomes: Bachelor of Arts (Honours)

Following are the various Programme Outcomes:

1. After three years of undergraduate B.A. study, students are anticipated to cultivate a deeper comprehension of language, literature, humanities, social sciences, and gender-related studies within both Indian and global contexts.
2. The B.A. graduates from this College would develop better communication skills, be articulate in deliberation of their core subjects and also get interested in Interdisciplinary topics for further study and research. They become more sensitive towards contemporary social, moral and political issues.
3. The Programme inculcates morals and values amongst its students so that they become socially responsible citizens of the country and take the journey of life with challenge and dignity. Students of this college become empathetic and compassionate towards fellow human beings serving the society at large.
4. After completing the program, graduates are encouraged to pursue various competitive exams or enroll in career-focused courses. They have the flexibility to choose from a diverse range of career paths such as administrative and civil services, banking, teaching, journalism, mass communication, hotel and hospitality management, consultancy services, and more, based on their interests and aspirations.

Programme Outcomes: Bachelor of Commerce (Honours)

Following are the various Programme Outcomes

1. After three years of study graduates able to demonstrate a thorough understanding of foundational concepts in areas such as accounting, finance, economics, and business management.
2. The B.Com. graduates from this College are equipped with the ability to analyze complex business scenarios, evaluate data, and make informed decisions.
3. Students possess strong written and verbal communication skills, enabling them to convey ideas clearly and persuasively in professional settings.
4. After completing the program, graduates demonstrate an understanding of ethical principles and practices in business contexts, promoting integrity and responsible decision-making.
5. Students are adept at identifying and solving business challenges using logical reasoning and innovative approaches.
6. After completing the program, graduates exhibit the capacity to adapt to changing business environments and embrace new technologies and methodologies.
7. Students will develop collaborate effectively with others, contributing positively to team dynamics, and demonstrate leadership potential in various organizational settings.
8. Graduates show an entrepreneurial spirit, with the ability to identify opportunities, innovate, and take calculated risks in pursuing business ventures.
9. After finishing this program, students recognize the importance of lifelong learning and seek opportunities for further skill enhancement and career advancement in the field of commerce.

Programme Outcomes: Bachelor of Science (Honours)

Following are the various Programme Outcomes:

1. This program plays a crucial role in fostering scientific aptitude, which is immensely beneficial for both society and the nation's advancement. It also nurtures critical thinking, creativity, and

problem-solving skills among students, equipping them with the tools they need to contribute meaningfully to the world around them.

2. Science graduates will be prepared to contribute to various industries, potentially pursuing entrepreneurship or establishing their own businesses or industrial ventures. They have the option to embark on entrepreneurial endeavours or set up their own business or industrial ventures.
3. The students will be able to engage themselves in independent thinking and lifelong learning in the present context of scientific and technological advancement.
4. After finishing this program, students will have the opportunity to pursue advanced studies in various fields, including basic and social sciences (M.Sc.), at prestigious universities like IITs, IISERs, NITs, and other renowned institutions in India and abroad. They can then opt for careers in research aimed at benefiting humanity and society. Additionally, students can choose to enroll in applied science or technical courses, pursue B.Ed., or explore professional job-oriented paths such as BCA, MCA, MBA in Marketing, and more. Upon completion of the program, they become eligible for a wide range of employment opportunities, including roles in Indian Civil Services like IAS, IFS, IPS, WBCS, UPSC, banking, railways, airlines, technical positions in research institutes, or teaching positions in schools through SSC.

Programme Outcomes: Master of Arts

Following are the various Programme Outcomes:

1. After completing the MA program, students typically follow either a research-focused or job-focused path. They often sit for competitive exams such as NET, SET, GATE, etc., to pursue further studies or obtain additional degrees, successfully passing them. Additionally, some students choose to enroll in B.Ed. programs, while others secure employment in various career fields of their choosing.
2. Students develop leadership skills and embrace social responsibilities, showing empathetic concern for societal issues. They actively participate in community engagement programs to contribute to local, regional, and national objectives. Through project work, field trips, dissertations, and paper presentations, students are encouraged to engage in self-directed learning. This intrinsic knowledge acquisition boosts their confidence in navigating life's challenges.
3. As MA students grow intellectually and mature in their thinking and behavior, they also develop a deeper sense of morality. They start to realize the significance of owning up to their actions and adopt values like tolerance and inclusivity, valuing the perspectives of others. They're prepared for continuous learning and self-reflection to further their professional journey. Understanding the importance of ethics and regulations, they're motivated to address societal needs with integrity and sincerity.

Programme Outcomes: Master of Science

Following are the various Programme Outcomes:

1. Students acquire specialized knowledge to propel their careers in the field of science. Critical thinking is instilled in them to conduct scientific inquiries impartially, free from any preconceived biases. Upon completing the M.Sc. program, students are encouraged to pursue research opportunities. They gain exposure to and proficiency in using state-of-the-art instruments in laboratory settings, keeping them abreast of contemporary science and technology. Regular field trips, industry visits, internships, and excursions are organized to enhance students' employability. Assignments and project work foster the development of problem-solving skills, critical thinking, and creativity.
2. Considering that postgraduate students have various career paths available to them, such as teaching at different levels, conducting research in institutes or industries, pursuing doctoral studies, engaging in environment impact assessment and biodiversity studies, and venturing into entrepreneurship, the

curriculum incorporates relevant topics to cater to these diverse opportunities. Importantly, the program also focuses on nurturing responsible citizenship, instilling moral ideals, and fostering ethical values among students.

Students' Seminar on **Religion and Culture of Ancient & Medieval India**

The Department of History successfully organized a Students' Seminar on *the Religion and Culture of Ancient & Medieval India* on Friday, 13th December 2019, from 11 am in room no. U29 of the college premises. Smt. Sonia Mondal, Assistant Professor in History, Jhargram Raj College, Girls' Wing, delivered the keynote address and adjudged the best paper competition. The students of the History department, who presented their papers were: JayashriMahata, MamataMahata, Baisakhi Dharia, ShipraMahata, Mallicka Om, Shrabani Sarkar, Madhusudan Das and NabanitaMahata. The best paper award was given to Baisakhi Dharia and Shrabani Sarkar. The students who presented their papers mostly tried to present original research work. A significant feature of this seminar was the proactive role played by the students of the department in organizing the event, which is a testament to their dedication and passion for the subject. The seminar drew a large crowd, with a total of 112 participants.

JHARGRAM RAJ COLLEGE

**Department of History
STUDENTS' SEMINAR 2019**

Theme: Religion
& Culture of
Ancient &
Medieval
India

 December 05, 2019

To
 Mr. Sourav Dey
 (by e-mail: sourav46dey@gmail.com)

Sub: Offer of Admission to Ph.D. Programme in Department of Biological Sciences

Ref: Your application against Advt. No. IISERBPR/CA/PhD/2019/2 dated October 05, 2019 and subsequent interview held on November 29, 2019.

Dear Mr. Sourav Dey,

With reference to your application for admission and subsequent interview, we are pleased to offer you provisional admission to the Ph.D. programme in the Department of **Biological Sciences under the mentorship of Dr. Ruthrotha Selvi Bharathavikram**.

This is to inform you that your admission will be confirmed upon receiving all requisite documents and fulfilling other requirements as mentioned in this offer letter.

Acceptance: You must confirm this offer by paying the Admission fees of **Rs. 35,500/-** (for Gen/OBC candidates) and **Rs. 15,500/-** (for SC/ST/PwD candidates) through SBI collect on or before **December 13, 2019 (Friday)**. Please note that the fee deposited is **NON-REFUNDABLE**. Please send a scanned copy of the receipt of payment of fees to the Dean, Academic Affairs (doaa@iiserbpr.ac.in) through email.

Original/copies of documents/certificates:
 At the time of registration/joining, please bring:

- This offer letter.
- Self-attested photocopies of all Mark sheet(s)/ Grade card(s) of all the semesters/years of all academic examinations and degree certificates along with originals for verification.
- In case your final mark-sheet/degree is awaited, please submit a certificate of having appeared in the final qualifying/passed the qualifying examination from the Registrar/Principal of your University/Institute.
- Hardcopy of Score card of National level qualifying exam like GATE/NET, JRF award letter etc.
- The e-receipt copy of the admission fee paid.
- Medical Examination Report from a recognized medical practitioner.
- High School/Secondary School Certificate of the Board/University specifying the date of birth.
- SC/ST/OBC-NCL/PD certificate if applicable, in a format approved by the Government of India.
- Self-attested copy of Aadhar Card along with original for verification.
- Two copies each of color passport size and color stamp sized photographs.
- You are required to produce, in original, a relieving certificate from your present employer, if applicable.

In case of any discrepancy in the qualifications and certificates claimed by you, the admission offer is liable to be cancelled.

Fellowship/Assistantship: If admitted to Ph.D. programme in IISER Berhampur, and,

- If you have qualified GATE/NET (LS) only/JEST or equivalent, you will be awarded an Assistantship from the Institute.
- If you are qualified to receive a fellowship/stipend from an external agency, the same has to be activated by the student and it will be provided in accordance with the rules of the funding agency.

The fellowship/assistantship will be renewed as per rules in vogue.

All Ph.D. students may be assigned teaching responsibilities by their respective departments.

Cancellation of admission: Please note that the admission offer will stand cancelled, if

- You fail to accept this offer by paying the requisite fee online by the stipulated date or
- You fail to produce any of the documents required to be presented at the time of registration/joining. You may, however, on application, be allowed to produce documents by **February 29, 2020** or
- You fail to register on **December 26, 2019** or by **January 02, 2020** (with a late registration fee of Rs. 1000/-), under intimation.

Important dates:

- Last date for payment of fees **December 13, 2019**.
- Registration: **December 26, 2019**. You must report, in person, to the Office of Academic Affairs, IISER Berhampur.
- Commencement of classes: **January 01, 2020 (Wednesday)**
- Last date for late registration: **January 02, 2020 (Thursday)**. In case you are unable to register by **December 26, 2019 (Thursday)**, please report as soon as you can but not later than **January 02, 2020 (Thursday)** with a late fee of Rs.1000/-.

Sub: Letter of appointment for JRF (DAE-BRNS project 58/14/10/2021-BRNS)

Dear Mr. Barik,

With reference to the interview held on 29th June, 2022, I am pleased to inform you that you have been selected for the post of Junior Research Fellow(JRF) in the DAE-BRNS funded project entitled "Theoretical and Experimental studies on few body exotic and atomic systems under confinement conditions" (58/14/10/2021-BRNS) under the supervision of Principal Investigator Dr. Tapan Kumar Mukhopadhyay of Department of Physics, Narula Institute of Technology.

On the basis of fellowship, you will be paid rupees 31,000/- p.m. plus H.R.A. and medical benefit as per the rule of the institute. The tenure of the project is initially for one year and extendable up to three years or termination of the project whichever is earlier. All other terms and conditions of your appointment will be guided by DAE-BRNS norm. Regards.

OFFER LETTER FOR ADMISSION

No. JAM 2021/1501/CY610A348/S101D38

July 22, 2021

Dear Mr. Akhanda Gora,

Congratulations! You have been provisionally offered admission to the Master of Science 2-Year Programme in CHEMISTRY at Indian Institute of Technology Kanpur.

In this regard, please note the following:

Due to the extraordinary circumstances that have arisen as a result of the COVID-19 pandemic, you are not required to report at the Campus for the Semester 2021-22.1. Instead, all instruction in the upcoming semester will be conducted in the ONLINE mode only, and you are required to attend all your classes remotely from your home/parent place of stay.

To start with, you need to fill in an online form and upload a scanned copy of the original documents under the link 'New Student Profile'. The link will be made available on the webpage of the Dean, Academic Affairs (<https://www.iitknpur.ac.in/naaa>) in due course of time.

The Online Academic Registration is scheduled on July 28-30, 2021. The link to the Academic Registration portal will be made available on the webpage of the Dean, Academic Affairs. The Online Classes will begin from August 2, 2021.

Please visit the webpage of the Dean, Academic Affairs regularly for updates on the Academic Calendar as well as any additional information.

The verification of the documents/certificates uploaded by you will be done against the originals on a later date when the Institute re-opens for students. The schedule for the same will be notified by early October 2021.

Applicants in the GEN-EWS (Economically Weaker Sections) and OBC-NCL (OBC Non-Creamy Layer) categories are required to upload valid category certificate in prescribed formats (as given in the JAM 2021 Structure) issued on or after 01/04/2020. SC/ST/PwD applicants are required to upload the category/disability certificates in the prescribed format and valid as per rules.

You must comply with the Eligibility Requirements (ER) and Minimum Educational Qualifications (MEQ) as mentioned in the Admission Structure at <https://jam.iitknpur.ac.in>. Failure to meet ER and MEQs will lead to suo moto cancellation of admission.

You are required to pay the fees online as per the enclosed Fee Structure. Link to fill in the 'New Student Profile' and 'Pay the Fees Online' will be made available on the webpage of the Dean, Academic Affairs (<https://www.iitknpur.ac.in/naaa>) in due course of time. Please retain a copy of the receipt of the online payment made by you.

If you do not join the institute, no fee including the seat booking fee is refundable. However, security deposit is refundable on receipt of request for cancellation of admission.

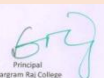

Motorized vehicle of any type for the students on the Institute campus is strictly prohibited, excepting medical cases, as required.

Please note that as a student of IIT Kanpur, you are expected to follow all the GOI/Institute protocols with respect to COVID-19 pandemic.

Wish you all the best for your studies at IIT Kanpur!

Jami Registrar (Academic Affairs)
