**Date : 24-05-2024**

To  
The Principal  
Jhargram Raj College  
Jhargram  
West Bengal 721 507

Sir,

The West Bengal Pollution Control Board is grateful to Jhargram Raj College Jhargram, West Bengal 721 507 for providing space and power to install the Air Quality and Noise Monitoring Station with display board within its campus. This was executed on 27.08.2021 by West Bengal Pollution Control Board in connection with the National Clean Air Programme. The cost relating to installation of sensor-based Air, Noise and Meteorological Data Monitoring Station along with Display Board was Rs. 12,00,000/- (Rupees Twelve Lakhs only) which was borne by this Board.

We hope that the students and teachers of the college will monitor the data and use the same for better understanding and research about air quality management.

The data recorded through the monitoring system installed in your college premises is available at the website of West Bengal Pollution Control Board ([www.wbpcb.gov.in](http://www.wbpcb.gov.in)).

Yours sincerely,

(Dr. Kalyan Rudra)  
Chairman
