Criterion 5: Student Support and Progression

Session: 2022-2023

- **Mock Youth Parliament:**

In a display of exceptional talent and commitment to democratic values, our college has achieved a remarkable victory by securing the first position in the prestigious Mock Youth Parliament competition. This event, which saw participation from numerous esteemed institutions, was a testament to the oratory skills, critical thinking, and collaborative spirit of our students.

The Mock Youth Parliament, held on **July 25, 2022** was organised to simulate the workings of a parliamentary session, allowing students to engage in debates, discussions, and decision-making processes on various national and international issues. This platform provided a unique opportunity for young minds to understand the intricacies of parliamentary procedures and to develop a deeper appreciation for democratic governance. Our college's preparation for the event began months in advance, with a dedicated team of students and faculty members working tirelessly to ensure success. Rigorous training sessions were conducted to enhance the participants' understanding of parliamentary protocols, improve their public speaking abilities, and fine-tune their research skills. The selection process was competitive, with only the most dedicated and talented students being chosen to represent our college. Our team demonstrated exceptional prowess in debating critical issues such

as economic policies, social justice, and international relations. Their well-researched arguments and articulate presentations were highly praised by the judges. The innovative solutions proposed by our students to address contemporary challenges were noteworthy. Their ability to think outside the box and present creative ideas set them apart from other participants.

The panel of judges, comprising distinguished academicians, politicians, and public speakers, evaluated the participants based on criteria such as content quality, presentation skills, adherence to parliamentary procedures, and overall impact. Our college emerged as the undisputed winner, with our team securing the highest scores across all categories. This victory in the mock Youth Parliament is a significant achievement for our college, reflecting the hard work, dedication, and intellectual capabilities of our students. It also underscores the effectiveness of our institution's emphasis on holistic education, which nurtures not only academic excellence but also leadership and civic engagement. This accomplishment is a proud moment for our college, inspiring us to continue striving for excellence in all future endeavours.

- **Quiz and Essay Competition**

Our college recently achieved remarkable success in both a Quiz and an Essay competition held on 25.07.2022, highlighting the exceptional talents and dedication of our students. The quiz competition tested participants on a wide range of topics, including general knowledge, current affairs, and specialized subjects. Our team displayed outstanding proficiency, quick thinking, and teamwork, securing top positions and earning accolades from the judges.

Simultaneously, the Essay Competition saw our students excel in crafting insightful and compelling essays on various themes. Their ability to articulate ideas, present well-researched

arguments, and demonstrate creativity impressed the panel of judges, leading to multiple top honors for our college.

These achievements underscore the commitment of our students and the support of our dedicated faculty, who have consistently nurtured and guided them towards academic and extracurricular excellence. We extend our heartfelt congratulations to all participants and express our gratitude to the mentors who played a crucial role in this success.

• District level & state level YOUTH PARLIAMENT

We are proud to announce that our college has recently achieved remarkable success in the District Level Youth Parliament Competition held on **09.09.2022**. This achievement exemplifies the tremendous skill and dedication of our students. In this competition, participants were required to simulate legislative sessions, during which they engaged in debates, discussions, and decision-making on a variety of matters pertaining to both national and international concerns. The students in our class showed an impressive level of expertise in comprehending the procedures of the parliamentary system, presenting arguments that were supported by extensive study, and working together effectively in committees.

The judges, who were comprised of eminent academicians and public speakers, were quite pleased by the breadth of our team's expertise, the eloquence of our arguments, and the unique solutions that we suggested. Our college was able to secure top places and receive great accolades from the panel as a result of their capacity to think critically and work cohesively together.

This success is a testament to the diligent efforts and intellectual ability of our students, as well as the unflinching support and direction that our committed faculty members have provided throughout the years. We would like to convey our most sincere congratulations to each and every participant, and we would also like to express our gratitude to the mentors who were instrumental in
